

APPLICATION FOR MEMORIAL FUNDS – ENDOWMENT COMMITTEE

Thank you for your interest in financial support from the memorial fund, which was established by the Endowment Committee to receive funds from individuals or families who wish to donate to the church in memory of a loved one. None of the gifts deposited in the memorial fund account are to be designated for a specific purpose. Memorial funds are to be used only for the benefit of St. Francis in the Foothills, UMC. Therefore, requests for support must relate to the property, missions, or ministries of St. Francis:

In your application, please be very clear about the need and how the requested funds will be used.

Applications for funds will be considered once a year by the Endowment Committee with an Oct 15 deadline using the format outlined here. All those who apply will receive a response. Memorial funds can be used in cases of emergency through a special request using this form that will be considered by the Endowment Committee within 10 days of the submission. Your application to the memorial fund should be sent to Karen Bliss (kbliss86@gmail.com) and Chuck Adams (ecadams@arizona.edu).
